

Application

battery-powered hydraulic compression tool APW 30 for crimping cable lugs and connectors up to 400 mm²

Advantages:

- Three years warranty or 20,000 working cycles
- extremely quick processing due to a two-stage hydraulic pump
- variable speed for positioning the tool
- ergonomic design for fatigue-free work
- service-friendly, compact design
- two-component handle with optimum weight balance
- LED to illuminate the working area

Technical data:

- Press range: 10-400mm²
- Press capacity: ca. 80 kN
- Head rotation: 360°
- Stroke/opening width: 37mm
- Operating voltage: 18V
- Tool measurements: 330 x 390 x 75mm
- Weight incl. battery: 5,6 kg
